

Johnson County Christmas Bureau

2020 Christmas Store

“OPLC uses Christ’s message to guide our ministries in our community”, as stated in a portion of our Vision Statement. During last year’s Annual Meeting, it was decided to support our community by contributing a portion of our benevolence and Christmas Store donations to the Johnson County Christmas Bureau (JCCB). The JCCB is planning on supporting 3200-4000 families in need this year.

Due to the pandemic, the Christmas Store will operate differently this year, in that volunteers will shop for the families. JCCB will be accepting both gift and food donations for the store. Following is a list of what is being requested:
